

Certificate Program in “Equity Trading & Investment” offered by NISM and ICICIdirect Centre for Financial Learning

National Institute of Securities Markets (NISM) is a society and public trust, established by the Securities and Exchange Board of India (SEBI), the regulator for securities markets in India, to improve the quality of the securities and financial markets through sustained capacity building and knowledge dissemination initiatives.

ICICIdirect Centre for Financial Learning (ICFL) is an educational initiative of ICICI Securities Ltd. It is one of the leading providers of education on Capital Markets, Financial Planning & Wealth Management and covers the learning needs of students and professionals in broad areas of Investment Education, Professional Certification and Professional Development. ICFL has joined hands with NISM to help students to acquire practical working knowledge of stock markets and derivatives.

About The Program: A joint certification between ICICIdirect Centre for Financial Learning and National Institute of Securities Market aims to help students to acquire practical working knowledge of stock markets and derivatives. The Classroom lectures combined with practical training seeks to create knowledge for students to commence their journey in the exciting world of equities and Derivatives and lay a strong foundation for students desiring to work in the Capital Market segment.

The certification should be seen as the first but a firm step towards building practical skills and expertise in stocks and capital markets. This certification provides students a strong platform for a career in any segment in the banking and financial services domain.
