DEVELOPING CORPORATE LEADERS THROUGH INTERPERSONAL AND TEAM EFFECTIVENESS

18th – 20th APRIL, 2024

ABOUT THE INSTITUTE

Jaypee Institute of Information Technology, Noida was established in the year 2001 and has been declared as a "Deemed to be University" under Section 3 of UGC Act 1956 in the year 2004. JIIT's state-of-the-art, environmentally conditioned campus comprises smart buildings with Wi-Fi connectivity covering the academic block, Business School cum Research Block, faculty residences, student hostels and annapurna. Well-equipped modern laboratories and an intellectually stocked Learning Resource Centre with books and E- Resources provide a pleasant and stimulating ambience.

ABOUT THE PROGRAM

Developing corporate leaders through interpersonal and team effectiveness is crucial for the success of any organization. It is a strategic initiative of organizations aimed at enhancing the skills and capabilities of individuals in leadership roles. Self-awareness is vital for personal and professional growth. The focus of the MDP is on empowering leaders to navigate complex interpersonal dynamics and lead teams effectively. Strong leadership skills not only drive individual and team performance but also contribute to a positive organizational culture. By integrating these elements into their human capital, organizations can cultivate leaders fostering a culture of collaboration and innovation.

TARGET PARTICIPANTS

The MDP is designed for executives at various levels within the organization who have leadership responsibilities or have potential for leadership roles. Professionals at the senior, middle and entry-level of the hierarchy can benefit from the program. The program is designed to meet the requirements of executives from PSUs, Co-operatives and Private Sector organizations

PROGRAM DIRECTORS

Professor Sunil Bhatia, an industry expert, is a faculty in Finance and Project Management area in Jaypee Business School. He is an Ex. Director (Finance), Engineers India Limited and is having 35 years experience in Corporate Financial Management in Oil & Gas and Fertilizer Sectors. He has successfully executed various mega projects including a fertilizer project of a Joint Venture Company from the stage of initiation of the project till commissioning of the project. He has raised debt and equity for various projects including foreign equity. Prof. Bhatia is having extensive experience in managing diverse teams, with specialization in business operations and controls, project execution and financing, resource planning, financial analysis, project risk management and contract closure.

Dr. Shivani Kapoor has a Ph.D. in Strategic Human Resource Management. She has over 22 years of teaching, training, and research experience at prestigious institutions. She has written and presented research papers in India & abroad and has won awards for her work. Her case studies and teaching notes are published in leading international journals including Harvard Business School Publishing. She has represented her organization across the country as a speaker and panelist. She regularly conducts Management Development Programs in her area of expertise, focusing on organizational behavior, communication, and soft skills
