MANAGEMENT DEVELOPMENT PROGRAM

ON ACHIEVING EXCELLENCE IN FINANCIAL DECISION-MAKING 21-23 NOVEMBER 2024

ABOUT THE INSTITUTE

Jaypee Institute of Information Technology, Noida was established in the year 2001 and has been declared as a "Deemed to be University" under Section 3 of UGC Act 1956 in the year 2004. JIIT's state-of-the-art, environmentally conditioned campus comprises smart buildings with Wi-Fi connectivity covering the Academic Block, Business School cum Research Block, Faculty Residences, Student Hostels and Annapurna. Well-equipped modern laboratories and an intellectually stocked Learning Resource Centre with books and E-Resources provide a pleasant and stimulating ambience.

ABOUT THE PROGRAM

In the current time, the ability to read financial statements and also the familiarity with the principles of financial management constitutes basic financial literacy, and is a must for all managers and executives irrespective of the function they perform. Optimum allocations of resources, choice of funding and expenditure control are now recognized as issues that are of interest not just to the finance specialist, but to all executives at different levels.

JBS is glad to organize a three-day Management Development Program on 'Achieving excellence in Financial Decision making'. This aims to enhance the analytical ability among the participants and the same in turn will lead to rational decision making. The Program has been designed to introduce various tools and techniques of financial management resulting in formal understanding of the subject that in turn will help the participating executives to take rational decisions. The participants will also be given exposure to the applications of information technology in the areas of the accounting & finance and development of soft skills.

TARGET PARTICIPANTS

The program is designed to meet the needs of entry, middle and senior level finance officers from PSUs, Co-operatives and Private Sector organizations from Fertilizer Sector.

PROGRAM DIRECTOR

Professor Sunil Bhatia, an industry expert, is a faculty in Finance and Project Management area in Jaypee Business School. He is an Ex. Director (Finance), Engineers India Limited and is having 35 years experience in Corporate Financial Management in Oil & Gas and Fertilizer Sectors. He has successfully executed various mega projects including a fertilizer project of a Joint Venture Company from the stage of initiation of the project till commissioning of the project. He has raised debt and equity for various projects including foreign equity. Prof. Bhatia is having extensive experience in managing diverse teams, with specialization in business operations and controls, project execution and financing, resource planning, financial analysis, project risk management and contract closure.
